# BOS PARK

## DROUGHTMASTERS

### **Bos Park (Ed) Edwina**

Member of the award-winning **Reserve Champion Breeders Group** at Maleny Show 2012, 'Ed' is a family favourite, with great character to go with her show-stopping type. Edwina is the major prize awarded, in conjunction with the \$1,000 Rabobank prize to the winner of the **Junior Herdsman Competition** at the **Alice Spring's Show** and is eligible to be shown at the **Adelaide Heifer Expo 2013**. The winner also receives membership to the Droughtmaster Stud Breeders Society.

Edwina is proudly donated by **Bos Park Droughtmasters**, who are also offering six outstanding young bulls, paddock-prepared and ready to work on your station: three bulls shown to top three placings in both the Gympie and Maleny Show's in Queensland. If you are considering using a Droughtmaster sire, this draft will provide an excellent opportunity. *It costs nothing to look, so inspect the bulls on your way to the Cattleman's Bar at the Show.*
